

ICCTD 2019

March 2-4, 2019 | Prague, Czech Republic

GENERAL INFORMATION

2019 10th International Conference on Computer Technologies and Development (ICCTD 2019) will be held in Prague, Czech Republic during March 2-4, 2019. It aims to provide a forum for researchers, practitioners, and professionals from both the industry and the academia to share their newest research findings and results.

The purpose of ICCTD 2019 is to bring authors and editors of IJFCC together to communicate face to face and discuss their latest research results. And it is also the Annual Meeting of IJFCC editorial board.

TOPICS

- Computer Organizations and Architectures
- Software Systems
- Digital Devices
- Computer Components
- Testing Methods and Tools
- New and Important Applications and Trends
- Theoretical Evaluations

PUBLICATIONS

- Publication in Conference Proceedings. Submissions will be peer reviewed by conference committees, and accepted papers will be published in conference proceedings, which will be indexed by EI Compendex, Scopus, etc.
- Publication in Journal. Submissions will be reviewed by the conference committees and IJFCC editorial board, and accepted papers will be published in International Journal of Future Computer and Communication, which will be indexed by EI (INSPEC, IET), Google Scholar, etc.
