

# TechDev 2023

Rome, Italy October 14-16, 2023

2023 12th International  
Conference on Computer  
Technologies and Development

<http://www.icctd.org/>

## Paper Submission

Please submit your full paper/abstract to us via the Electronic Submission System:

<https://www.zmeeting.org/submission/techdev2023>.

Please refer to the correct format and template (Microsoft Word or Latex) when you're preparing your paper.

## Publication

Accepted, registered, and presented papers will be published in conference proceedings, and submitted for abstracting and indexing by Ei Compendex, Scopus, etc.

Papers recommended to International Journal of Future Computer and Communication for peer review, once accepted which will be published free of charge, and indexed by Crossref, Electronic Journals Library, INSPEC(IET), Google Scholar, EBSCO, etc.

For more information, please refer to: <http://www.icctd.org/>

## Important Dates

SuSubmission Deadline: May 20, 2023  
Notification of Acceptance: June 15, 2023  
Camera-Ready Submission: June 30, 2023  
Registration Deadline: June 30, 2023  
Conference Dates: October 14-16, 2023

## Conference Tracks

Track 1:

Computer Organizations and Architectures

Track 2:

New and Important Applications and Trends

Track 3:

Artificial Intelligence, Algorithms, Computational Science

For more information, please refer to: <http://www.icctd.org/>

## Contact Us

 Conference Secretary: Zoe Wu

 Tel.: +86-193-8217-0943 (Working hour: GMT+8: 9:30AM-5:30PM; Mon.-Fri.)

 E-mail: [TechDev\\_conf@outlook.com](mailto:TechDev_conf@outlook.com)

## About Rome

Rome is the capital of Italy and the capital of the city of Rome and the political, economic, cultural and transportation center of Italy. It is located on the plain of the lower Tiber River in the middle of the Italian peninsula and was founded on seven hills at the beginning of the city, so it is also called the "City of Seven Hills". Rome is the most populous city in Italy and the third most populous city in the European Union in terms of population within the city limits.
